Entrepreneur's 2016 Top Global Franchises**

Dallas – (July 7, 2016) – Red Mango[®] Yogurt Café, Smoothie & Juice Bar continues to bring the heat. The leader in healthier food options was recently named to *Entrepreneur* magazine's Top Global Franchises List for 2016 published in the July issue for serving up fresh cold-squeezed juices, made-to-order fresh fruit smoothies, power-packed smoothie bowls, all-natural frozen yogurt and more.

Only companies seeking new franchises outside of the United States and with a minimum of five open international locations were considered for the top global franchise ranking. "Nothing beats seeing our hard work pay off once again. We are honored to be named as a 2016 Top Global Franchise by Entrepreneur Magazine," said Craig Erlich, chief operating officer at BRIX Holdings, the parent company for Red Mango. "Red Mango has redefined the frozen yogurt and smoothie industries. Internationally, consumers want a healthier, more diverse menu and that is exactly what we are offering with our wide variety of items created with the freshest ingredients."

"Red Mango doesn't plan on stopping anytime soon," said Rudy Frederico, director of franchise development at Red Mango. "We are continuing to seek franchisees and area developers in major markets throughout the United States, Canada, and Latin America."
