

FOR IMMEDIATE RELEASE

Mullin Law, PC Joins The Knowledge Group for a Live Franchise Law Webcast on June 21

RICHARDSON, Texas (May 31, 2016) – [Mullin Law](#), PC, a full service commercial law firm known in the area of franchise and distribution law, is partnering with The Knowledge Group for their “Franchising Law: Do You Know What You Are Doing?” live webcast event on June 21 at 12 p.m. ET.

The webcast panel will include insights from Cheryl Mullin, founding partner at Mullin Law, PC, along with four attorneys from her firm: Sophilia Wu, Farheen Ibrahim, Kelly Davis, and Laura Canada Lewis. The event will discuss in detail the fundamentals of franchising, the future of franchising laws and regulations, compliance and enforcement issues, and best practices moving forward.

“It’s important for existing and potential franchisors to know these laws and regulations and stay on top of the latest developments,” said Cheryl Mullin, founding partner of Mullin Law, PC. “This webcast will allow us to discuss those laws, while also addressing risks, best practices and compliance for success.”

The two-hour live event will run from 12 p.m. - 2 p.m. ET. To register, please visit [The Knowledge Group event page](#).

About Mullin Law, PC

Founded in 2003, Mullin Law, PC is a Dallas-based, full service commercial law firm that is nationally recognized in the area of franchise and distribution law and has successfully litigated liquidated damages awards in favor of franchisors and defended franchisors against claims by franchisees. The firm represents clients throughout the United States in areas ranging from franchising to employment law, copyright/trademark law, mergers and acquisitions, corporate litigation, as well as dispute resolution.
